

THE NEWSLETTER OF THE SOCIAL COMMITTEE

January 2021

The Social Committee wishes the residents of the Reserve, a happy and healthy Valentines' Day. We want to thank you for all your support in December and especially for helping those in need during these difficult times. We are hoping that you will participate again in helping others in our area.

We have two events for February. One is making or buying Valentines for Veterans. We will be providing them to our Vets for Valentines' Day. Show your appreciation and your support to those that served us.

The second activity is to gather hats, gloves, socks and even jackets for the homeless. We will be collecting these items on Saturday, February 6th. Place your items in a bag and label it Mercy. These winter items will be donated to the House of Mercy to those in need of cold weather items. Please have your bag out by 10:00 am so they are visible from the street. If you would rather drop them off, we will have a box at the Reserve Club House next to the mail box on February 5th-6th only. We do not want to have the items out in the winter elements too long. Please drop them off by noon on Saturday on the 6th.

VALENTINES FOR VETS

We will be collecting Valentines for Veterans from January 25th-February 5th. Handmade or store bought, our Veterans will be excited to know they are loved.

Drop them off in the red mailbox at the front of the Club House. We will collect them on the 6th and get them to Veterans.

Find out more about when you can receive a Covid vaccination by going to the Virginia Department of Health Website.
